

ASSET MANAGERS

Accelerating growth through practice management, coaching, and value add

FLX Business Accelerator provides asset management firms with a comprehensive and customizable suite of value add, coaching and practice management solutions for distribution teams. You can choose specific services that effectively augment and supplement your existing initiatives while offering you an enhanced suite of solutions to gain access to financial advisors and showcase your firm and product capabilities.

Get Access to Advisors Through Event Sponsorship Opportunities at Wealth Management Offices and Offsite Events

Sponsor exclusive speaking engagements and events allowing you to establish yourself as an influential industry figure and promote products to key advisors and home office gatekeepers.

Events include keynotes, conferences, advisor round table discussions, FLX Digital Events, and more.

We offer over 20 advisor-focused value-add topics, networking opportunities, and a unique platform for you to showcase your expertise and promote your investment strategies.

Comprehensive Wholesaler Coaching Program for Asset Manager Distribution Teams

Specialized coaching services designed to address the unique needs of distribution throughout the product lifecycle; providing valuable tools, insights, and strategies to optimize operations and drive exceptional results and AUM growth.

- Gain and maintain access to financial advisors through our proven system for wholesaling teams
- Tailored communication strategies and effective speaking techniques to engage advisors on product and firm philosophy
- Personalized coaching to enhance team performance and build trust with advisors and wealth management home office teams
- Learn how to leverage product data insights for strategic advantage over competitors

With decades of combined experience in the industry, FLX Business Accelerator Co-Heads Michael Silver and Eric Sheikowitz, can take your internal practice management solutions to new heights for your team and create targeted opportunities for product and brand visibility with the goal of growing assets.
